Dear Lakes Football Supporter,

My name is Ed Styx and I am the president of The Lakes Community High School Football “**Talon Club**” and am writing to you today to ask for your support at our **Talon Club Golf Outing**. We are a 501 (c) (3) Organization that works to supplement our football budget, so that we can provide our student-athletes with a successful, meaningful, and above all else, a memorable high school football experience.

The Talon Club provides many benefits to our football program. As an example, our funds are used to provide equipment and coaching seminars, which are not covered by the football budget. Below is a partial list of items purchased in the past 3 years to help our football players.

- Multiport DVD burner & software for game film and creating highlight DVD's for colleges
- End zone camera system
- Two 25-second end zone clocks
- Eagles inflatable tunnel for the stadium
- Bronze plaque honoring graduating Seniors

Other items we are hoping to add to our program are:

- Sideline communication equipment (audio headsets) for coaches
- Scoreboard enhancement (display of playoff banners)
- Professional development courses (coaching seminars)
- College scholarships
- Additional weight lifting equipment

In addition to these necessary items, funds are used for Varsity team dinners the night before our games, an all-level Homecoming team dinner, meals between double sessions for all levels, an end-of-camp entire program lock-in for which we provide dinner and breakfast, and a year-end banquet for all levels. Our program also supports community service by volunteering at the *Open Arms Mission* in Antioch, Illinois.

**All of these extras are provided at no extra costs to our players or their families.** None of this is covered by the athletic fees or the school budget. We rely on the generous support of individuals, families, the community, and various businesses to provide these additional funds and donations.

Our main fundraiser is our annual golf outing. This year our event will be held on **Friday, June 24, 2011 at the Antioch Golf Club in Antioch, Illinois**. We are asking for your help in making this a success by making a contribution to help our student-athletes. The attached flyer provides information on sponsorship opportunities available to your organization. Thank you in advance for your support.

Sincerely,

Ed Styx, Talon Club President
